Why Radiant Point of Sale?

Unified Ecosystem
Seamlessly integrates with the RadiantFleet platform, connecting sales to crewing, inventory, and finance.

Effortless Usability
Clean, touch-optimized interface for fast training and intuitive daily use by onboard staff.

Live Insights from Ship to Shore
Access transaction data and inventory levels in real-time, no matter where you are.

Boost Efficiency, Cut Complexity
Simplify operations, reduce manual entry, and stay organized with one smart solution.

Purpose-Built for Maritime
Designed for shipboard environments, ensuring uninterrupted service even without internet.

Radiant Point of Sale is built to **streamline onboard operations**—whether you manage a **single vessel** or an **entire fleet**.

Smarter Sales.
Smoother Operations.
